EDUCATION

Bachelor of Science Math with Statistics

Anticipated May 2024

Wheaton College, Wheaton IL

- GPA: 3.24/4.0
- Relevant Coursework: Calculus I, II, Linear Algebra, Differential Equations, Probability Theory, Mathematical Statistics, Applied Machine Learning, Analysis, Mathematical Mentored Research.
- Dean's List 2021-22

EXPERIENCE

Intern, Independent Project Analysis, Ashburn, VA

May 2023 – August 2023

- Inspected over 125 Floating Production Storage and Offloading (FPSO) project schedules and compiled them all into an excel spreadsheet.
- Processed the excel spreadsheet into 2 generalized schedules for IPA to present to clients.
- Guided another intern on how to best collect all the schedule information from IPA's system into an excel spreadsheet.
- Presented the culmination of my work to roughly 40 people at the end of the internship.

Baseball Data Analyst, Advanced Value Matrix, Wheaton, IL

April 2022 – August 2023

- Inspected over 100 baseball games to better understand the mechanics of the game.
- Analyzed and imputed data of over 175 minor league baseball games for AVM to be better equipped when working alongside specific teams.
- Devised the best way to grade players, to convey their skill most accurately.

Kitchen Assistant, Camp Willow Springs, Littleton, NC

Summer 2022

- Served over 200 people three meals a day for eight weeks.

Student Counselor, Camp Willow Springs, Littleton, NC

Summer 2023

- Managed and mentored eight different 3rd-6th grade boys for eight weeks.

Soccer Referee, Clarke County Recreations, Berryville, VA

August 2014 – August 2019

- Headed over 125 soccer games.
- Mentored and coached referees in more than 50 games.

SKILLS

- Data entry and analysis
- Programming in R and RStudio
